CAREER OBJECTIVE

As a tech-savvy high school graduate with a passion for web development and graphic design, I am excited to pursue a career in the dynamic and ever-evolving world of technology. With proficiency in HTML, CSS, JavaScript, and Adobe Creative Suite, I am able to create visually appealing and functional digital content. I have a keen eye for detail, a commitment to meeting deadlines, and am always eager to learn and expand my skill set. I am excited to further develop my skills and knowledge in college, and contribute to the innovative tech industry.
